All counsel and parties are directed (1) that all participants shall mute the phone when it is not their case, (2) that no participant shall use a "speaker" function, and (3) that no participant shall place the call on hold (in order for the Court and other participants to avoid hearing hold music or other noises that detract from the proceeding and audio recording of same).

Matters requiring evidentiary presentations will be continued at the Court's discretion to be reset at a later date.

¹ General Order 20-6 was entered on March 18, 2020. It was amended on March 24, 2020 to include call-in information for hearings with Judge Sarah A. Hall. This second amendment extends the period for telephonic hearings until further order of the Court.

Case-by-case exceptions for an in-person hearing may be ordered at the Court's discretion after consultation with counsel.

This Order does not affect the Court's consideration of matters that can be resolved without oral argument.

The Courthouse remains open, but the Clerk's Office intake counter is closed. Staff in the Clerk's Office will be available by telephone, mail will be received and timely processed, and filings may be deposited in the dropbox outside the Clerk's Office for timely processing. Electronic filings may still be made through the CM/ECF system. The public is encouraged to continue using Court services while following all applicable public health guidelines.
